## Hydrant Flushing Beginning Today.

Notice: The City of New Hampton will begin flushing hydrants, weather permitting, on Monday, May 8th, 2023. They will begin in the South part of the city and will continue to the West, North and East of the city until all the hydrants are flushed. Please check your water for discoloration before washing clothes.

## The flowers on Main St. will be returning soon!

New Horizons Chamber has been asked to assist with the main street hanging baskets this year. We are excited to keep this beautiful tradition going but need some extra help from volunteers who are willing to help water this summer! We only have ONE week (September 3-9) remaining to fill.

No green thumb needed! We will provide training for anyone new to watering. This year we have also decreased the number of baskets ordered so only looking at a hour time commitment daily for that week. Let us know if you can help! A huge thank you to all of our volunteers and businesses who are signed up for the additional 15 weeks!!
