

Be on The Lookout!

2023 Heartland Days sponsorship, parade and event information will be mailed out & dropped off to businesses this week!

*Hello
March!*

As we say goodbye to February, here are some fun facts about the short month you may not know!

- February is one of the most misspelled words in the English language
- February, March, and November always start on the same day of the week unless it is a leap year
- The probability of a February 29 birthday is 1 in 1,461 - Approximately only 205,000 people in the U.S. have leap year birthdays
