A New position to NICC & a New Face To The Community!

Nicole Lemke joined NICC this January at the Wilder Business Center in Calmar. Nicole is the Sales Operations Coordinator that will be helping facilitate and run operations for room rentals and Contract Training out of the Wilder Business Center. This facility can host a wide variety of business events, meetings, and trainings with a full catering menu, new updated technology, and a variety of space availability (including an auditorium that seats up to 200 people!) In addition to Nicole joining NICC, she will be connecting with small businesses throughout the area to discover any workforce challenges they may be facing and how NICC can help provide training opportunities, soft-skill enhancement, certifications, and more!

To connect with Nicole on opportunities for your business' needs, please reach out to her at lemken@nicc.edu or 844-642-2338 ext. 1239.
