

*Opportunity Fair*

A fantastic opportunity for the community is coming up in March! NICC, NHHS & Iowa BIG North Students are working together to provide a one stop shop experience for students, parents, educators and the community to better prepare for life after high school by exploring various career paths, college and more! This is open to community members as well for anyone who may want to explore a new career!

If you are business and would like to set up a booth please contact: Holly O'Brien at obrienh@nicc.edu
