

*\$1.6 Million Spent Locally This Holiday Season!*

For 8 weeks during the Holiday season our office promotes shopping local through our annual Red Holiday Punch Card. Once a shopper spends \$100 at participating businesses they can enter their red punch card to win. With the help of some pretty amazing sponsors we gave out nearly \$5,500 in prizes, local gift cards and bonus bucks during our 6 weeks of drawing! This year we had approximately 16,500 punch cards turned in which equates to about \$1.65 million dollars spent locally during the holiday season! Those numbers only include the completed cards turned in so chances are that actual number is much higher. In a time where costs continue to rise it is so important to keep our dollars local to support our area businesses not only during the Holiday season but every day! Thank you to our sponsors who helped make this possible!

**Do you have an event happening in 2024? Let us know so we can get it on our calendar!**

*2024 Senior Banners*

It's that time of the year again! Senior Banners are a beloved tradition that started during COVID and has continued since. Each spring, banners line the streets of New Hampton celebrating this year's graduating class. Emails went out to Seniors and their parents regarding the banners last month and we are now opening up the opportunity

to sponsor NHHS seniors to our local businesses and community members. The cost to sponsor a senior is \$90 and the senior will receive his/her banner at graduation as a keepsake. If you are interested in sponsoring a senior and would like to see the list of remaining students please let us know! We are looking to have all banners paid and ordered by February 2nd so they can be hung early and are up longer to celebrate these awesome grads!
