EXCITING NEWS AT THE CHAMBER!

WELCOME LIZ!

Please help us welcome Liz Zweibohmer as New Horizons Chamber Director! We are so excited to have Liz join our team and believe she will be a great addition to the office! Her first day at the Chamber will be Monday, August 29.

A bit from Liz:

I am so excited to be the New Horizons Chamber Director! I have a passion for growing our community and creating events that people will love and enjoy.

After graduating from New Hampton in 2014 I went to Iowa State University where I had a summer internship at the Grinnell Chamber of Commerce. While there I assisted with the marketing and event coordination and loved it so much that I ended staying on during the school year as well. After finishing that internship I told myself that if a position ever opened up at a Chamber of Commerce nearby I would apply for it, so I guess you could say the rest is history!

My husband Andrew and I live in town and during our free time you can find us fishing, cheering on the Iowa State Cyclones or traveling

WE'VE MOVED!

The Chamber has moved offices! Not far...just down the street to the east. The Chamber Office is now located in the lower level of the American Legion Building, 104 E Main Street (across from Kwik Star). Stop in & say hi!
